

## Course Equivalencies for Life Sciences Majors - Life Sciences Core Education

Revised 3/13/2025

All equivalencies are for life sciences majors; physical science majors may have different equivalencies.  
Articulation agreements are from [www.assist.org](http://www.assist.org).

Life Science Courses for the major are articulated based on the term that students take the course and NOT based on admit term.

Former articulations are in the Archive List.

LIFE SCIENCES: If students would like to have courses reviewed for equivalency, go to our website: <https://www.lscore.ucla.edu/course-articulations-2/>
